

Half Day Excursion

Larnaca Town

Larnaca town is famous for its beautiful sea front and has an efficient tourist infrastructure. Our tour will first lead us to the church of St. Lazarus. This early 10th century church is built above the tombs of St. Lazarus, which can still be seen in the crypt. The church was also the second home of Lazarus, who, after being raised from the dead by Christ, came to Kition and became the first Bishop of Larnaca.

We will then drive through the Phinikoudes promenade area and continue until we reach Larnaca Salt Lake. According to legend, the lake was the result of a miracle performed by St. Lazarus, in retaliation to a vineyard owner who refused to allow him some grapes. The lake is now a sanctuary for all kinds of migrating birds including the endangered pink flamingos.

On the road to Kiti, we will pass by the Hala Sultan Tekke Mosque of Umm Haram. This is one of the most important Muslim pilgrimages in the world, ranking immediately after the shrines of Mecca, Medina and Al Aksha in Jerusalem. According to legend, Umm Haram was the aunt of Prophet Mohammed.

Once we arrive at the village of Kiti, we will visit the church of Panayia Angeloktisti of the Virgin Mary. One of the finest examples of Byzantine art in the world is found in this church: a fine mosaic of the Virgin Mary and Child between the Archangels Michael and Gabriel.
